

ABB #PowerBetter Roadshow 2022

Driving the future of safe, smart, sustainable electrification

Join us!

March 15, 2022
10:00 a.m. – 4:00 p.m.
University of Missouri
Providence Pt
Columbia, MO 65201

We've outfitted a 53' tractor trailer to showcase the complete best of both integrated ABB one-line portfolio, newly updated since the acquisition of the GE Industrial Solutions business. Meet our product experts for an engaging, hands-on experience and discover a better way to power.

As we adhere to social distancing guidelines, space on the trailer will be limited to 15 attendees at a time. So be sure to register today and book your appointment for an exclusive tour.

Don't miss your chance. Register today!
