Trade-In, Trade-Up

3M™ SecureFit™ Head Protection

Promotion Dates: April 1 – December 15, 2022

Convert to qualifying 3M Head Protection solutions and receive either a 15% cash rebate on your purchase OR 15% free goods of the same item(s) purchased.

Now's the time to upgrade your worker's hard hats and safety helmets.

3M is offering the opportunity to trade-in or trade-up your current head protection to 3M's NEW SecureFit™ Hard Hats and Safety Helmets.

Why Trade up?

3M™ SecureFit™ Hard Hats and Safety Helmets feature Pressure Diffusion Technology, meaning the headband incorporates self-adjusting front paddles along your forehead. The headband is designed to self-adjust to the wearer as the ratchet is tightened.

This helps create a personalized fit and **reduces the pressure on the forehead 20% to 30%** compared to previous 3M suspensions.

So, what does this mean?

Less Pressure – and a well-adjusted fit helps achieve more comfort, all day long
