

A construction worker wearing a white hard hat and an orange safety vest over a plaid shirt is looking down at a smartphone. The image is split diagonally, with the top-left portion being a solid orange color containing text, and the bottom-right portion showing the worker. The worker is holding the phone with his right hand, and his left hand, wearing a grey glove, is visible at the bottom.

SPEED | CONVENIENCE | FLEXIBILITY

agilix[™]
SOLUTIONS

► Speed | Convenience | Flexibility

For busy industry professionals that require increased mobility and real-time access to information. Search products, place your orders from anywhere and manage your account.

Download this FREE productivity tool from the App Store or Google Play. Our iPhone and Android compatible App provide access to what you need when you need it.

KEY FEATURES:

Product Groups

Product groups are the perfect solution when you order or access the same products or bill of materials (BOM) on a consistent basis. Set-up an unlimited number Product Groups and include as many products as needed within each group.

Product Categories

Instant access to more than 70 product categories including the latest products and technologies in Automation, Electrical, Industrial, DataCom, Power Transmission, Safety and Solar. Get quick access to our comprehensive in-stock inventory and the product specification information you need. See your company's pricing and real-time product availability at all Agilix Solutions branch locations.

My Account

Quick view of all your account information. Check order status from your mobile device, change ship to information, view order history, review product groups, request a quote, use quick order pad, access your active quotes or view saved shopping carts.

Photo Inquiry

Don't see what you need online? Need a unique item for your next job or project? Click on the "Photo Inquiry" option, provide us with a photo, manufacturer name and brief product descriptions and we'll research availability and pricing options for you.

Scanner

Scan a product bar code (UPC) to search all available products on my.goAgilix.com. Review the matching result and add the individual part to your shopping cart.

Upcoming Events

When you're interested in learning about current industry trends and standards or new products and technologies that have a direct impact on your business, count on Agilix Solutions to deliver relevant training. We offer a variety of complimentary and paid informational events and seminars throughout the year. Conveniently view and register for events from your mobile device.

Request Information

Need additional information about one of our product or service options? Have a question about a current order? Send us a request and we'll respond quickly with the information you need.

Locations

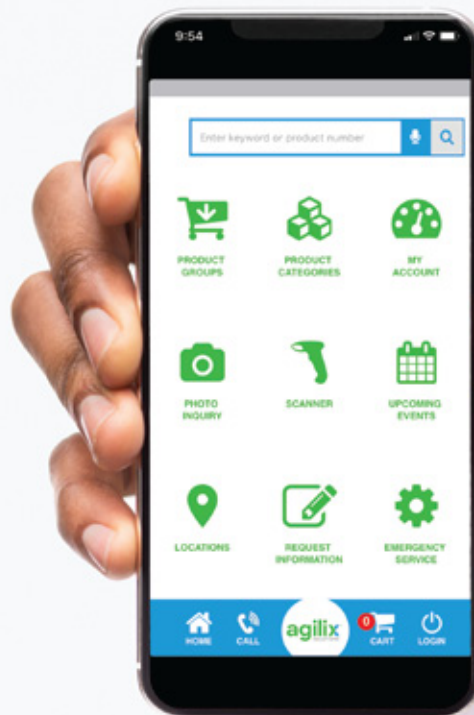

Agilix Solutions serves customers from 13 locations in Missouri, Tennessee, Illinois, Kansas, Arkansas, and Mississippi. Our branches form a multi-regional network of stores committed to working together to ensure the products and expertise you need are never too far away. Find and contact your local Agilix Solutions branch for exceptional local service and support.

Emergency Service

To request technical support or after-hours access to our inventory, call your local Agilix Solutions branch. After normal business hours or on weekends and holidays, your call will be routed to our on-call representative, who will return your call within 15 minutes. Note: a service charge may be applied.

Voice Activated Search

Enjoy the added convenience of voice activated search on the Agilix Solutions Mobile App. Click & say, "Search for keyword" (or) "Search for part number" to find the product you need.
