

# Maximize your Motion Control with Rockwell Automation and LinMot

Join us at **Mechatronics Headquarters** for a day of learning and guided training for a better understanding of the Rockwell Automation and LinMot offerings.

Start your day with morning training—choose from **Motion Basics** or **Learning with LinMot**—then enjoy a lunchbreak. In the afternoon, dive into **advanced labs with OnCourse**.

## AGENDA:

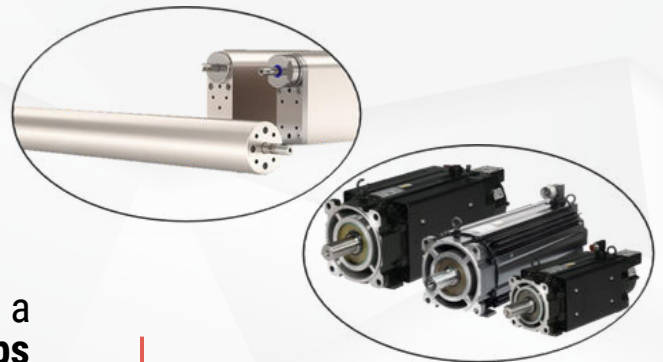

### » Morning Session Options:

Motion Basics	Learning with LinMot
<ul style="list-style-type: none"><li>• Physics and motion</li><li>• Sizing</li><li>• Installation considerations</li><li>• Best Practices</li><li>• 5 minutes to Motion</li></ul>	<ul style="list-style-type: none"><li>• Anatomy of a Linear Motor Drives</li><li>• Studio 5000 Integration</li><li>• Create a motion profile</li></ul>

### » Afternoon Advanced Training:

- Motion Fundamentals with K5700 or ArmorKinetix
- 5 Minutes to Gearing
- 5 Minutes to Camming
- RA Tuningless features

### » Breakfast and Lunch included!
