

# Innovation Summit

## For Plant Modernization & Smart Machines

Together with Rockwell Automation and our technology partners, Agilix Solutions offers exceptional products to optimize your industrial operations.

Attend this half-day update to learn how our safety, sensors, drives and controllers can be integrated to meet your business needs. You will be able to engage with product specialists to learn about key products and services to help solve your current business challenges - from application to enterprise.

### WHO SHOULD ATTEND:

- Control Engineers
- Engineering Managers
- IT Personnel Involved in Automation Integration
- Maintenance Managers
- Production/Operation Managers

### SEMINAR INCLUDES:

- Continental Breakfast (starting at 7:30 AM)
- Lunch (starting at 12 PM)
