8:30 AM – 2:00 PM CST

Advanced Stratix® 5200 Training: Take your networking skills to the next level with this hands-on training experience, led by Agilix Solutions' Ted Davis. You'll build real-world skills configuring and managing industrial networks. You'll explore the advanced features and configure the Stratix® 5200 managed switch. Work directly with the 1783-CMS10DN or 1783-CMS20DN with Device Level Ring (DLR), Parallel Redundancy Protocol (PRP), and Network Address Translation (NAT) capabilities.
